A PATTERN OF GEOMETRIC SHAPES
AND A LANDSCAPE OF COLOURS.

right sparks
ch on graphic patterns in living colour.

VI AND FOLK influences are mixing it up with contemporary graphics. Geometric patterns in slashes of bold saturated colour on wallpapers and fabrics. This trend focuses on fun, lively and playful designs in candy pinks, apple and peacock blues. And, many of these wallpapers and fabrics are also available in custom colourways - perfect for adding layers of character to your home.
